Dedication to Charles Barrasso

Charlie was the epitome of Lionism having served for over 35 years and was a Life Member of the Hebron Lions Club. A dedicated volunteer who held many offices in Lionism and earned many well deserved awards and designations. Charlie served as President of the Lions Club (1980), Superintendent of the Hebron Harvest Fair (1983) and was a long-time member of the Lions Board of Directors. He also served as the President of the Connecticut State Fair Association. Among his many accomplishments, Charlie was recognized many times for his contribution to Lionism including a Melvin Jones Fellowship (twice 1987 & 2005), a Knight of the Blind (1996) and was named a Lion of the Year by the Hebron Lions Club (1997).

More importantly he was a serious man filled with love for his family. He took the underdog position on many issues with thoughtful respect for the rights and opinions of all people. His dedication to the community of Hebron, in many ways, epitomizes his big heart.

Charlie was Charlie! Whenever a job needed doing he was there. Whenever a deserving fund raiser needed help he was there. Whenever there was discussion and an opinion needed, he was there.

He was a life long citizen of Hebron, and a life long doer of hard work and hard jobs. He took his responsibilities to his family and community seriously. He has a lot of pride in the accomplishments of his children. Bernice was his wife, and his rock.

We should not mourn his passing, we should rejoice on his life among us. We are all better for his being a part of our lives.
